

Reporting Hazards in Your Community

Don't wait for someone to fall! If you see a trouble spot, report it before someone gets hurt.

1. Describe the hazard you found and the location:

Examples: a crack in the sidewalk, burned-out street light, washed-out shoulder along the road, blocked culvert, or potholes

2. Where is it? Indoors Outdoors

Please be as specific as you can. Give us either:

- The closest street address – for example: the sidewalk in front of 25 Elm Street **OR**
- A description of the location – for example: the bottom step on the first level of the parking garage at County Mall

3. Do many seniors walk along this route? Yes No

4. Have you ever reported this hazard before? Yes No

If yes, to whom? _____
